Support for Fair Hotels in Slovenia

Dear Comrades,

We congratulate SGITS for launching the Fair Hotels initiative which puts workers' rights under the spotlight.

Initiatives like Fair Hotel Slovenia are in place in other countries and are indeed the best way to promote businesses that respect workers' rights to join a union, to collective bargaining and to be in stable employment with decent conditions and wages.

The IUF website has developed a webpage with similar initiatives from affiliates which would allow us to concretely support unions in their efforts to organize hotel workers, to bargain collective agreements and to enhance workers' rights.

We're delighted to include Fair Hotel Slovenia in our directory and promote it through IUF affiliates and international trade union federations in order for them to use hotels on your website when searching for accommodation in Slovenia.

In solidarity,

Ron Oswald
